# HOW TO SUBMIT YOUR RESEARCH OPPORTUNITY FOR USE ON THE HANDS & VOICES WEBSITE

Please send your submission materials described below as a **Word Document\***.

**\*Note - we will not just post, or interpret your flyer.**

## Please supply the following information:

1. The **start and end dates** your research/survey is accepting applicants/subjects.
2. The **title of your research/survey**: If you do not have one - make one up :-).
3. The **geographic area(s)** you are hoping to draw participants. (i.e. state specific, national, intl.)
4. Detailed **Description** of your research opportunity with all contact information and instructions for contacting, applying for, or participating in your research project.
5. **Logos, photos, etc** can be embedded in the WORD doc **or** sent separately as jpgs. Brochures and forms to be downloaded must be submitted separately as PDF's.

Week of November 3-7, 2014	Online Discussion Forum among Parents of Children age 0-6 who are using/have used FM systems at home	Nationwide
Thru December 2014	<b>Study on social skills in children who are deaf with additional special needs.</b>	Nationwide
Ongoing	Research Volunteers Needed for a Study at the University of Chicago Medical Center	Chicagoland Area

**Study on Social Skills in Children Who Are Deaf With Additional Special Needs.**

Dear Parents,  
A warm hello from Gallaudet University! My name is Angela Turner, I am a predoctoral student in Gallaudet's Clinical Psychology Program. I am currently seeking parents who have children who are deaf with additional special needs to participate in my research about child social skills. My goal is that this research will inform parents, healthcare professionals, and teachers about the special skill sets and needs of this unique population and their families.

**If you are:**
